

Edwards-Pitman Environmental Inc. (Atlanta, Georgia)

Position: **GIS Specialist (Full-Time)**

Salary Range: Based on Experience

Experience: 0-5 years

Job Description

Edwards-Pitman Environmental, Inc. has an immediate need for a GIS Specialist to join our Atlanta office located in the Vinings area. The selected candidate would serve as our GIS specialist for internal and external clients, supporting data visualization and data management for our environmental engineering groups (Archaeology, Ecology, History, & NEPA).

Responsibilities

- Assist internal and external clients with producing maps and layers for environmental reports.
- Update and maintain shapefiles and geodatabases for each department.
- Support data collection and visualization for field collection via Trimble and Arc Collector GPS units.
- Maintain GIS templates and guidelines for map products.
- Assist team with any additional GIS-related tasks.

Minimum Qualifications

- Bachelor's Degree in GIS, Geography, or closely related field.
- Strong knowledge of ESRI suite products (Desktop 10.x, Arc Pro, Arc Online, etc.)
- Knowledge of Microsoft Office suite (Word, Excel, Outlook, etc.)
- Highly organized with the ability to multi-task, prioritize and meet deadlines for multiple projects concurrently.

Desired Qualifications

- Experience with and understanding of GPS equipment for data collection (Trimble, Arc Collector)
- Proficiency in Python scripting and desire to hone this skillset.
- Familiarity with relational database management systems (e.g, SQL Server, Postgres/PostGIS)
- Interest in traffic noise impact analysis (FHWA TNM modeling)

About EPEI

Edwards-Pitman is a premier environmental services consulting firm of over 50 employees committed to quality service and client satisfaction. Edwards-Pitman is based in Atlanta, Georgia and has offices in Florida and South Carolina. Check us out at www.edwards-pitman.com

Edwards-Pitman offers a competitive salary, which will be negotiable based on qualifications and experience. Our full compensation package includes paid personal time off; paid holidays; medical/dental, life/disability insurance; and 401(k) plan. This is a full-time position, not a project appointment, and is scheduled to begin immediately.

Prospective candidates should email a letter of introduction, resume, and list of references to Artis LangBruttig (alangbruttig@edwards-pitman.com)
